In 2011 Congress will consider reauthorization and amendments to the Older Americans Act effective in FY 2012. In anticipation of this process, the Administration on Aging (AoA) is soliciting input concerning the services that have contributed greatly to enhancing the lives of older individuals, family caregivers and persons with disabilities.

Discussion during this listening session will focus on:

- a) Individual agency priorities for the future;
- b) Collective regional priorities for the future;
- c) How the reauthorization of the OAA can support these, and;
- d) The barriers that the requirements of the OAA poses and the changes we recommend for reauthorization.

**Sandy Markwood**, Chief Executive Officer  
National Association of Area Agencies on Aging (N4A)  
will lead the discussion.
