**RE: Please RSVP to n4a Dinner Caucuses at AoA Listening Sessions**

As you know, the U.S. Administration on Aging (AoA) is holding three upcoming Listening Sessions on Older Americans Act (OAA) Reauthorization. These sessions will provide the Aging Network with a valuable opportunity to share our vision for the future of aging services and supports with AoA. n4a encourages AAA and Title VI staff to attend these important sessions. More information on the Sessions can be found on AoA's [website](#).)

To help rally our troops, **we will be hosting special n4a Dinner Caucuses the night before each Listening Session for all AAA and Title VI aging program directors/staff in attendance.** We hope you will join n4a staff, Board leaders and your fellow AAA/Title VI colleagues at these n4a Caucuses to share ideas about OAA reauthorization, strategize common messages for the next day, and to get an update on the legislative and program agenda of n4a.

Preliminary details are listed below. We are still finalizing a few details and will let you know when we do. All Caucuses will be held in the same hotel as the AoA Listening Session.

**Please RSVP** to Rhoda Seay at n4a ([rseay@n4a.org](mailto:rseay@n4a.org); 202.872.0888) and specify whether you are coming to the Dallas, Alexandria or San Francisco Caucus.
